WORLD HEAD AND NECK CANCER DAY IS JULY 27

Bringing Clinicians and Scientists Together

the ENT team at the Princess Alexandra Hospital will acknowledge the day by hosting a half-day forum outlining current research, advances in clinical practice and support for head and neck cancer patients.

The information provided would be beneficial for all health professionals and all, including patients, are welcome to attend.

\$25 - morning tea provided

Tri Auditorium Princess Alexandra Hospital Campus

All details outlined on the registration site. Click on the button below.
